EDUCATION

Morehead State University

Expected Graduation: 2027

- Bachelor of Science in Computer Science
- Bachelor of Science in Mathematics

SKILLS

Programming Languages:

- CSS, HTML, JavaScript, C, C++, C#, Rust, Python, Java, Svelte, Latex

Tools/Tech:

- Supabase, Unity, Git, GitHub, WordPress, SvelteKit

PROJECTS & ACHIEVEMENTS

FitBunny — Full-stack template web app

- Built in Rust (Actix Web) and Svelte, using Supabase for user data and auth
- Implements secure JWT-based session system via cookies with CORS handling
- Supports POST and GET commands via REST API.

json-rs — A fast, expressive data serialization library and language implementation

- A Rust library for parsing, validating, and converting custom DSL documents directly into Serde JSON objects.
- An expressive and modular way of generating data via simple composable Jason structures.
- Focused on safety and best practices.

EXPERIENCE

Morehead State University - Space Science Center Internship

Start: Sept 2025 - Present

- Created parsers in python with version control from UV, that successfully evaluated and produced TC frames from a non trivial format to bytes.
- Used Git and GitHub to manage project versions and resolve issues.
- Used docker to containerize C libraries and created build files to help aid in use.

IT internship - Morehead State university

Start: Feb 2025 - May 2025

- Regularly re-imaged computers and software deployment for faculty and student computers
- Resolved customer issues and led tech based solutions to medial issues.

Math tutor - Morehead State University

Start: Feb 2025 - Jan 2026

- Walked through student confusion and helped trace understanding with self made notes/abstracts of courses.
- Self made study materials for students.

ON-CAMPUS INVOLVEMENT

Game Design Club

- I founded the Morehead State University game design club, where we aid to make game design and devolpment fun and approachable for people from all walks of life.
- I hosted and managed events with more then 30+ people, providing food and entertainment.
